\*True Cost: True Cost tuition is the actual cost of operating the Abenaki Outing Club's skiing program. We strive to make skiing affordable for everyone, so we subsidize the cost through fundraising. This is reflected in the difference between the Base Tuition and the True Cost Tuition. To receive the Base Tuition, you must apply for a scholarship at the time of registration.

If you are able, we ask that you consider paying the True Cost Tuition at registration. This will help us cover the actual cost of the program and allow us to serve more skiers.
